RULES:

All participants must register and be between the ages of one and sixteen years old to be eligible for the prizes. Parents are responsible to sign their children into the proper age groups when registering for the derby.

Keep your ticket with you at all times; you will need this to register your fish.

Parents/Guardians may set the hook for a child 5 years and younger, but the child must reel the fish in to be eligible for registration.

Fishing Derby Officials must measure all fish during the event. Fish will be registered by total length.

Any fish kept must be of legal size for that species. All State Department of Natural Resources rules and regulations apply.

Rough fish (Carp) that are caught will not be eligible for prizes for this event.

One prize per participant. If you have already won a largest fish prize, the next largest fish in your age group will be given the prize.

Be courteous to all individuals participating in the event

BAIT

Night crawlers are available for free to all participants at the fishing derby tent while they last. Donated by Modern Cabinet Making.

PRIZES Will be awarded at the Main Stage First, second and third place trophies and prizes will be awarded to the three largest fish caught overall. First, second and third place medals and prizes will also be awarded in each age group.

DRAWING -Keep the ticket you received when you registered. Everyone registered in the fishing derby is eligible for the drawing of the remaining prizes. **Drawing will be at the sign up tent following the awards ceremony.**

You must be present to collect your prize for the drawing.
